

Dear INDRUM2020 participants,

the IPC and LOC have met online today to discuss the details of the postponement of the INDRUM2020 conference due to the impact of the Coronavirus Disease 2019 (Covid-19) worldwide. We are now in a position to give you instructions on ways to proceed. We hope that this will be acceptable to you and that it will prove successful to move forward in the direction of a fruitful conference.

New dates. After discussion, and by taking into account all the information at our disposal, we have come to a conclusion on new dates for the conference as follows: INDRUM2020 will be held 17th of September -19th of September 2020 (From Thursday to Saturday) in Bizerte, Tunisia, and be preceded by the special day in honor of Viviane Durand-Guerrier on September 16th.

We hope that this information is communicated early enough for you to rebook flights for these dates instead of having to cancel and potentially lose your money. Paid registration fees and/or hotel fees may be used for the new dates with the same conditions, should the new dates be compatible with your agenda, which we hope will be the case. Accepted papers by colleagues who are not able to participate in the conference on the new dates will be included in the INDRUM2020 proceedings.

Reimbursement. Those who are not able to attend the conference on the new dates are kindly asked to write before April 15th 2020 (deadline for cancellation) to the hotel [secretariat.br@gmail.com / Siouar Jaballah] AND to the Chair of the Local Organising Committee [chellouguifaiza@yahoo.fr / Faiza Chellougui] asking for reimbursement of the amount they have already paid towards the conference fee and accommodation. A template colleagues can use have been kindly prepared by the LOC (see attached). Please, take into consideration that the process of reimbursement is likely to take a few weeks.

Newcomers. Colleagues who have not yet registered for INDRUM2020 and would like to attend the conference in September are very much welcome. Should you like to consider this option, the deadline to register is now June 30th 2020.

We thank you in advance for your understanding and look forward to meeting in Bizerte in September.

With warm wishes,

Thomas, Marianna, Faiza and all the members of the INDRUM2020 IPC and LOC.
